Berdoll Pecan

CANDY & GIFT COMPANY

Email: info@berdoll.com ★ www.berdoll.com

Dear friends,

Around pecans for a lifetime and owning a pecan business for almost 14 years means lots of fun! I drive around with a Ms. Pearl (our famous squirrel) bumper sticker on the back of my suburban, which often leads to conversations with random people in parking lots that see my sticker. Responses are always so positive, with people indicating they have visited or wanted to visit the store. We are truly blessed!

I love our business that can bring farm-to-table and provide the best pecans for a salad or snack, not to mention desserts for road trips or the traditional pecan pie for Thanksgiving dinner. We love to make our customers smile and are grateful to be part of so many family traditions. In 1980, my parents had the dream to retail pecans from their trees that were just dropping pecans for their first crop ever. What they did not know is that 43 years later, their little garage business would have a 4000-square-foot retail store, a 9000-square-foot factory (cracking and shelling pecans daily and making over 20 flavored candies), a 2800-square-foot cold storage for in-shell pecans, and a 1200-square-foot storage space for shipping boxes and tins, as we ship worldwide! Jared and I are so happy to be a part of this for the last 14 years and plan to keep growing.

We thought the Berdoll family was complete with 17 members, but Hal and Lisa recently added the cutest Brittany Spaniel dog named, Daisy! Their summer days are full with 9 grandkids swimming, roping calves, and going on evening gator rides. They often split up to attend the grandkids' baseball, basketball, football, rodeo, volleyball, or 4H events. Kylene and Will are the rodeo family. Kenzie is a barrel racer, and Mason is enjoying running poles at rodeo play days. Kyndall plays select basketball and is the biggest supporter of her siblings' love for rodeo. Brandon and Brandi are growing Berdoll Sawmill in Cedar Creek, Texas. Clay loves baseball and fishing, Emily rides horses, and Luke is a little country boy that loves to fish and keep up with everyone. Jared and I love to watch our kids in their activities. Logan plays select basketball and baseball and is about to start middle school football, Halle plays volleyball, and Austin plays basketball, baseball and flag football. Keeping active and staying busy is supposed to keep us young, right?

If you pass highway 71 and our famous squirrel, Ms. Pearl, we would love to meet you. Experience our pecan vending machine on the porch of our retail store or at our vending machine in Austin at 3652 Bee Caves Road. If you aren't driving on highway 71, did you know you can get cracked pecans at all Buc-ees mega-stores and pecan halves and pecan pieces in the produce section of select HEB stores? After a few years of COVID, we are so happy to be back to normal! Samples are back, seeing smiling faces are back, and we do not plan to go anywhere but up from here. On your travels, we would love for you to stop and taste our homemade fudge, join our annual pecan pie eating contest in July, celebrate Ms. Pearl's birthday with us in August, or enjoy fresh new crop pecans every fall!

Your new and repeat business is what keeps us wanting to make improvements, and we are always striving for the best. Working alongside our very dedicated and committed staff is what makes our business like family. Please follow us on social media, visit our retail store, or shop on our website, www.berdoll.com. We want you to be a part of our pecan family!

We appreciate your business!
